The Colony, TX 75056 | 682-552-8251 | MalcolmTGomez@gmail.com | [LinkedIn](#)

SUMMARY

MBA candidate and experienced business professional working across strategy, branding, partnerships, innovation, and growth. Experience spans sports technology, live entertainment, cloud technology, executive programming, market analysis, and go-to-market strategy, with a track record of translating business needs into scalable programs and partnerships.

EDUCATION

[University of North Texas](#) - G. Brint Ryan College of Business - MBA SENM (In Progress)

[University of North Texas](#) - Bachelor of Arts in Radio, Television and Film (Minor - Anthropology)

CURRENT EXPERIENCE

Brand Partnerships Intern - [Don't Tell Comedy \(www.donttellcomedy.com\)](http://www.donttellcomedy.com)

Los Angeles, CA | Aug 2026 - Present

- Build and qualify a regional sponsorship pipeline across CPG and RTD categories, identifying high-potential brand partners for senior leadership.
- Develop market-specific partnership inventories across Dallas-Fort Worth and Houston, aligning prospective sponsors with DTC audiences, live events, and regional opportunities.
- Research brand investment activity, experiential campaigns, sponsorship history, and decision-makers to identify audience fit and actionable partnership entry points.
- Support sponsorship development across packaging, valuation, activation, and measurement.

Graduate Assistant (Programs and Partnerships) – [Sports Innovation Space @ UNT](#)

Frisco, TX | Aug 2025 – Present

- Support partnership development between sports technology startups, leagues, teams, investors, and industry stakeholders.
- Conduct market and competitive analysis to evaluate audience fit, business models, product-market fit, and partnership potential.
- Translate industry insights into positioning frameworks, go-to-market narratives, and strategic recommendations for startup partners.
- Collaborate with founders and operators to refine partnership narratives used to support adoption, investment, and business development conversations.

KEY ACHIEVEMENTS AND IMPACTS

- Helped launch, develop and manage The Sports Innovation Space @ UNT and all programming
- Co-developed an agentic AI customer-support application with 2026 Dallas AI Summer Program
- Built AllCloud's North American and Romanian AWS consulting teams (55+ hires/year)
- Facilitated HPE PointNext national internship program across 5 locations (45 hires/year).

SELECTED STRATEGY & PARTNERSHIPS PROJECTS

2027 Grand Prix of Arlington - Brand Identity Consulting Project | Aug 2026 – Present

- Develop brand identity strategy for the Grand Prix of Arlington, analyzing DFW sports culture, stakeholder perceptions, and competing properties to create a distinctive identity and establish the event as a destination within the competitive DFW sports & entertainment landscape.

2027 Denton Black Film Festival (DBFF) - Corporate Partnerships Lead - June 2026 - Present

- Manage corporate partnership strategy and sponsor engagement with businesses and community organizations to expand resources and visibility for Texas' largest Black film festival.

World Cup Innovation Summit - Project Lead - April 2026

- Led development, strategy and programming for a global sports tech executive summit aligned with the 2026 FIFA World Cup highlighting emerging fan engagement and technology trends.

Dallas Cowboys - International Brand Strategy Project - Jan 2026 - April 2026

- Developed audience engagement and sponsorship strategy for the Dallas Cowboys' in Mexico, using market research to strengthen brand visibility, fan connection, and community presence.

2027 PGA Championship - Strategic Marketing Project - Aug 2025 - Dec 2025

- Developed strategic marketing plan for 2027 PGA Championship, using audience segmentation and market analysis to strengthen fan growth, digital engagement, and venue experience.
