Req Approval Matrix

Notes: Nimble and Plexxi have approval processes outside of system. Need to align to one process in future.

Global Process Design: June 12, 2018
Global Process Review: June 12, 2018
Regional Review: June 25, 2018
Approved: July 2, 2018

Path

Notes:
• University process follows non-university process.
• Approval requests received in Workday Recruiting inbox and Outlook email.
• If no action within 3 days, reminder sent to approver in Workday and Outlook.
• HM and HM+1 predetermined through WD supervisor structure.
• Hiring managers use delegates for creation and approval.

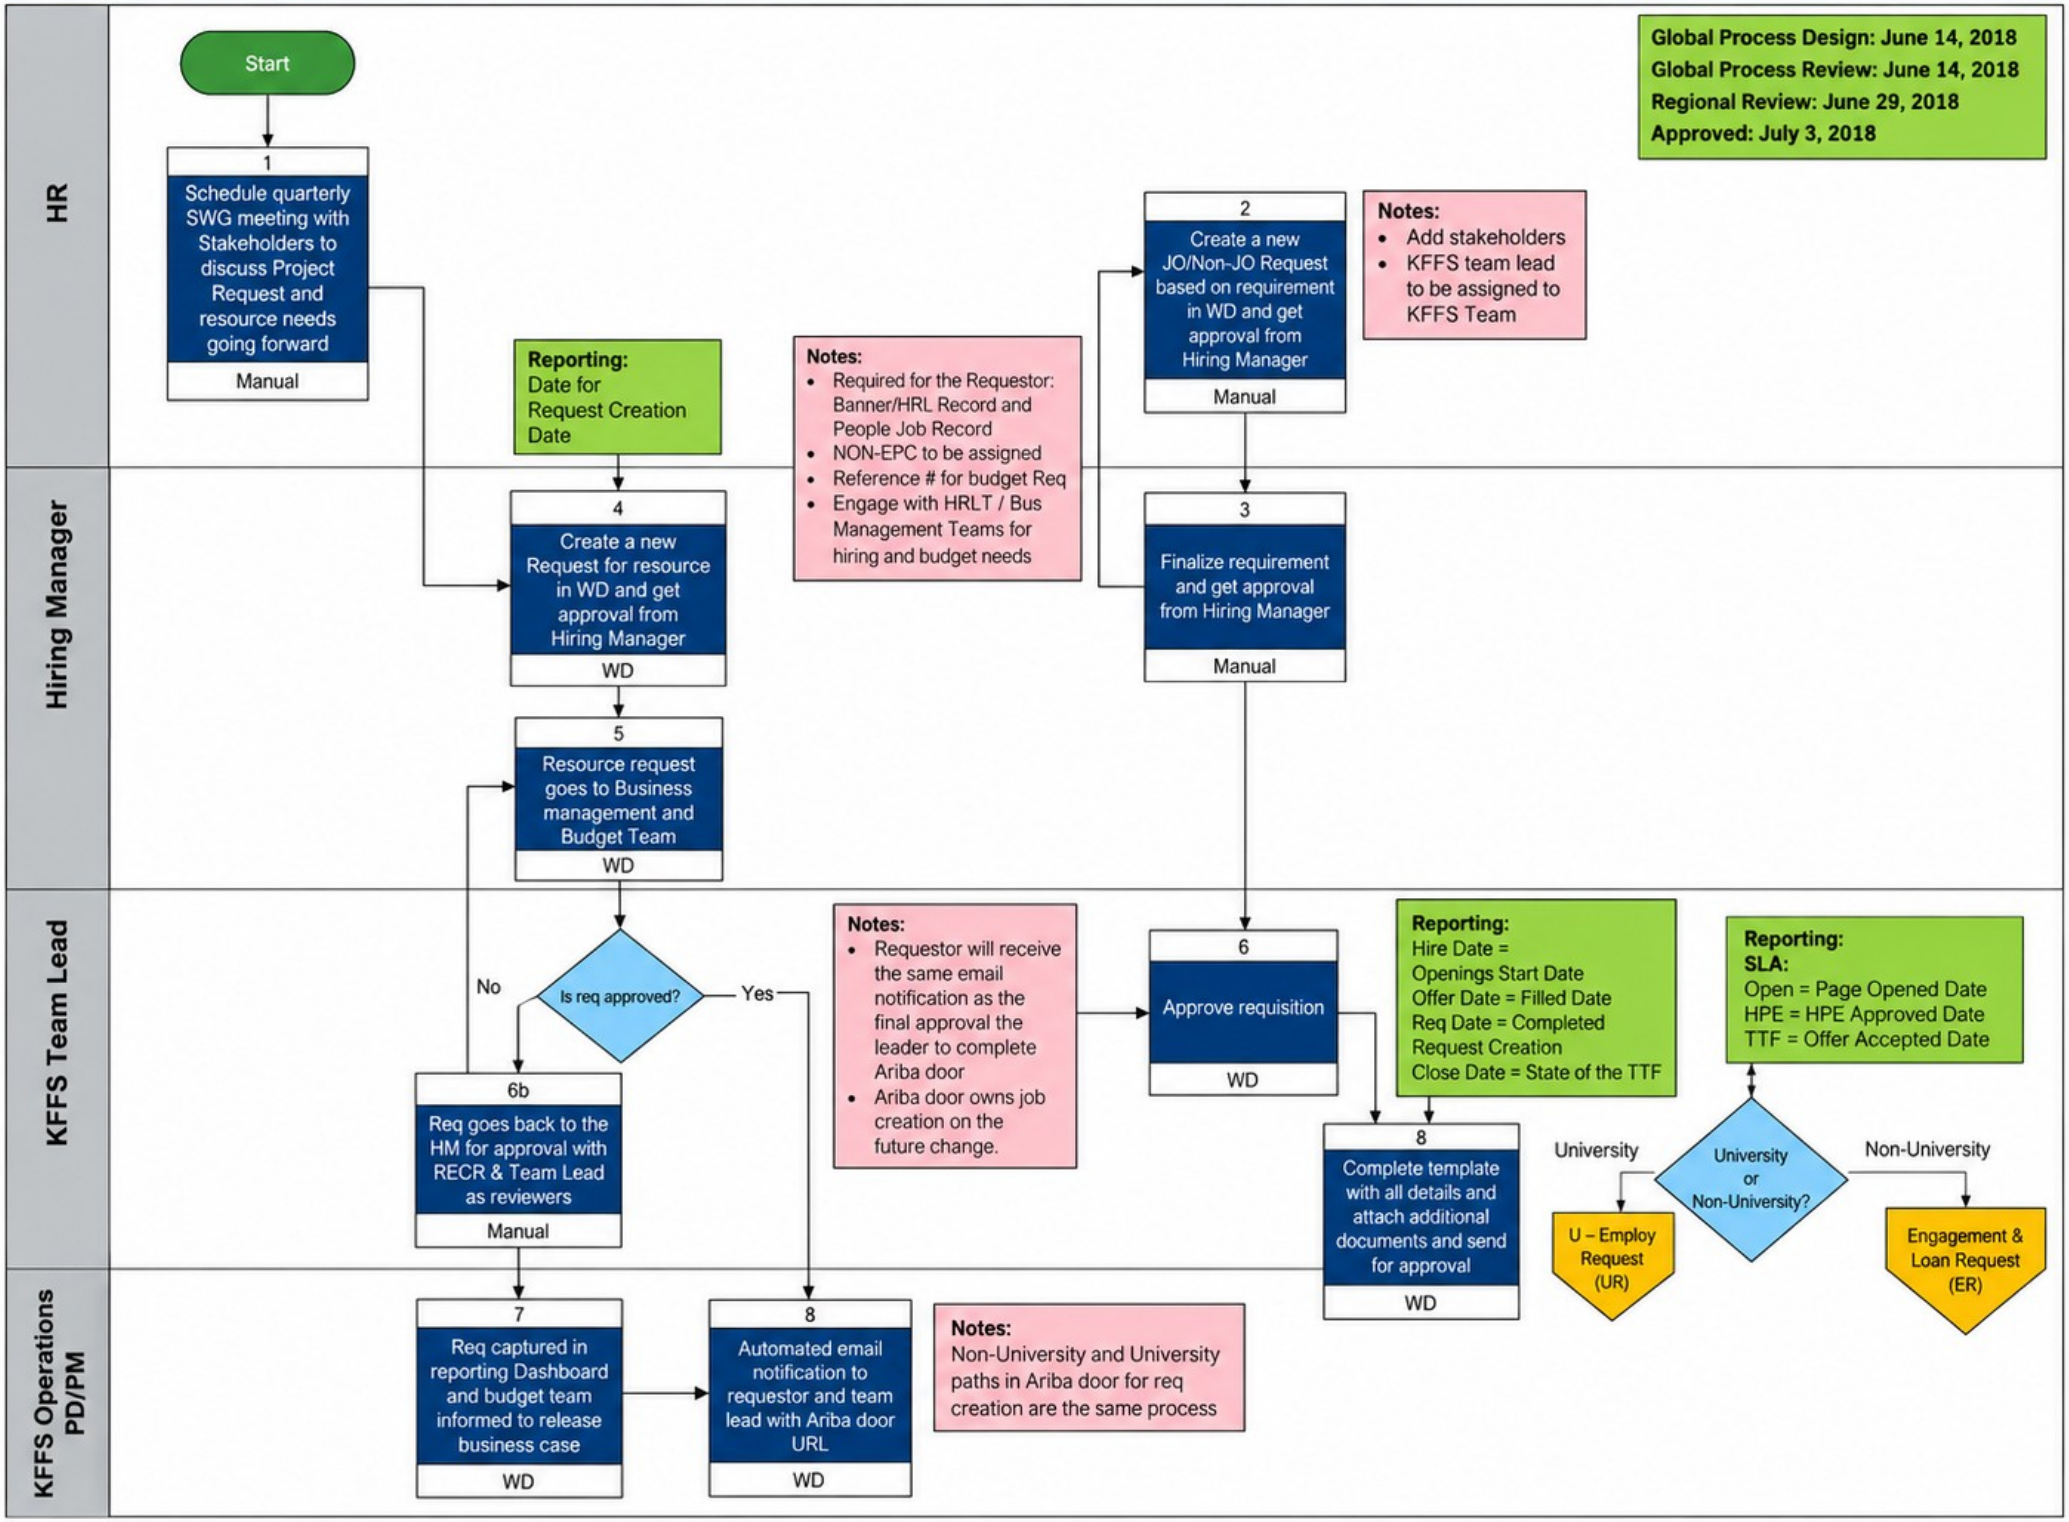

Notes: Open a New Req
• Different / higher level requires additional approval.
• Requisition volume increase (e.g., 1 to 2).

Edit Req
• Bonus / cost center incorrect.
• Different / lower level.
• High or low cost location.

Notes:
HR requisition approver roles requested through UAM. HR req approver roles defined by cost center on the requisition.

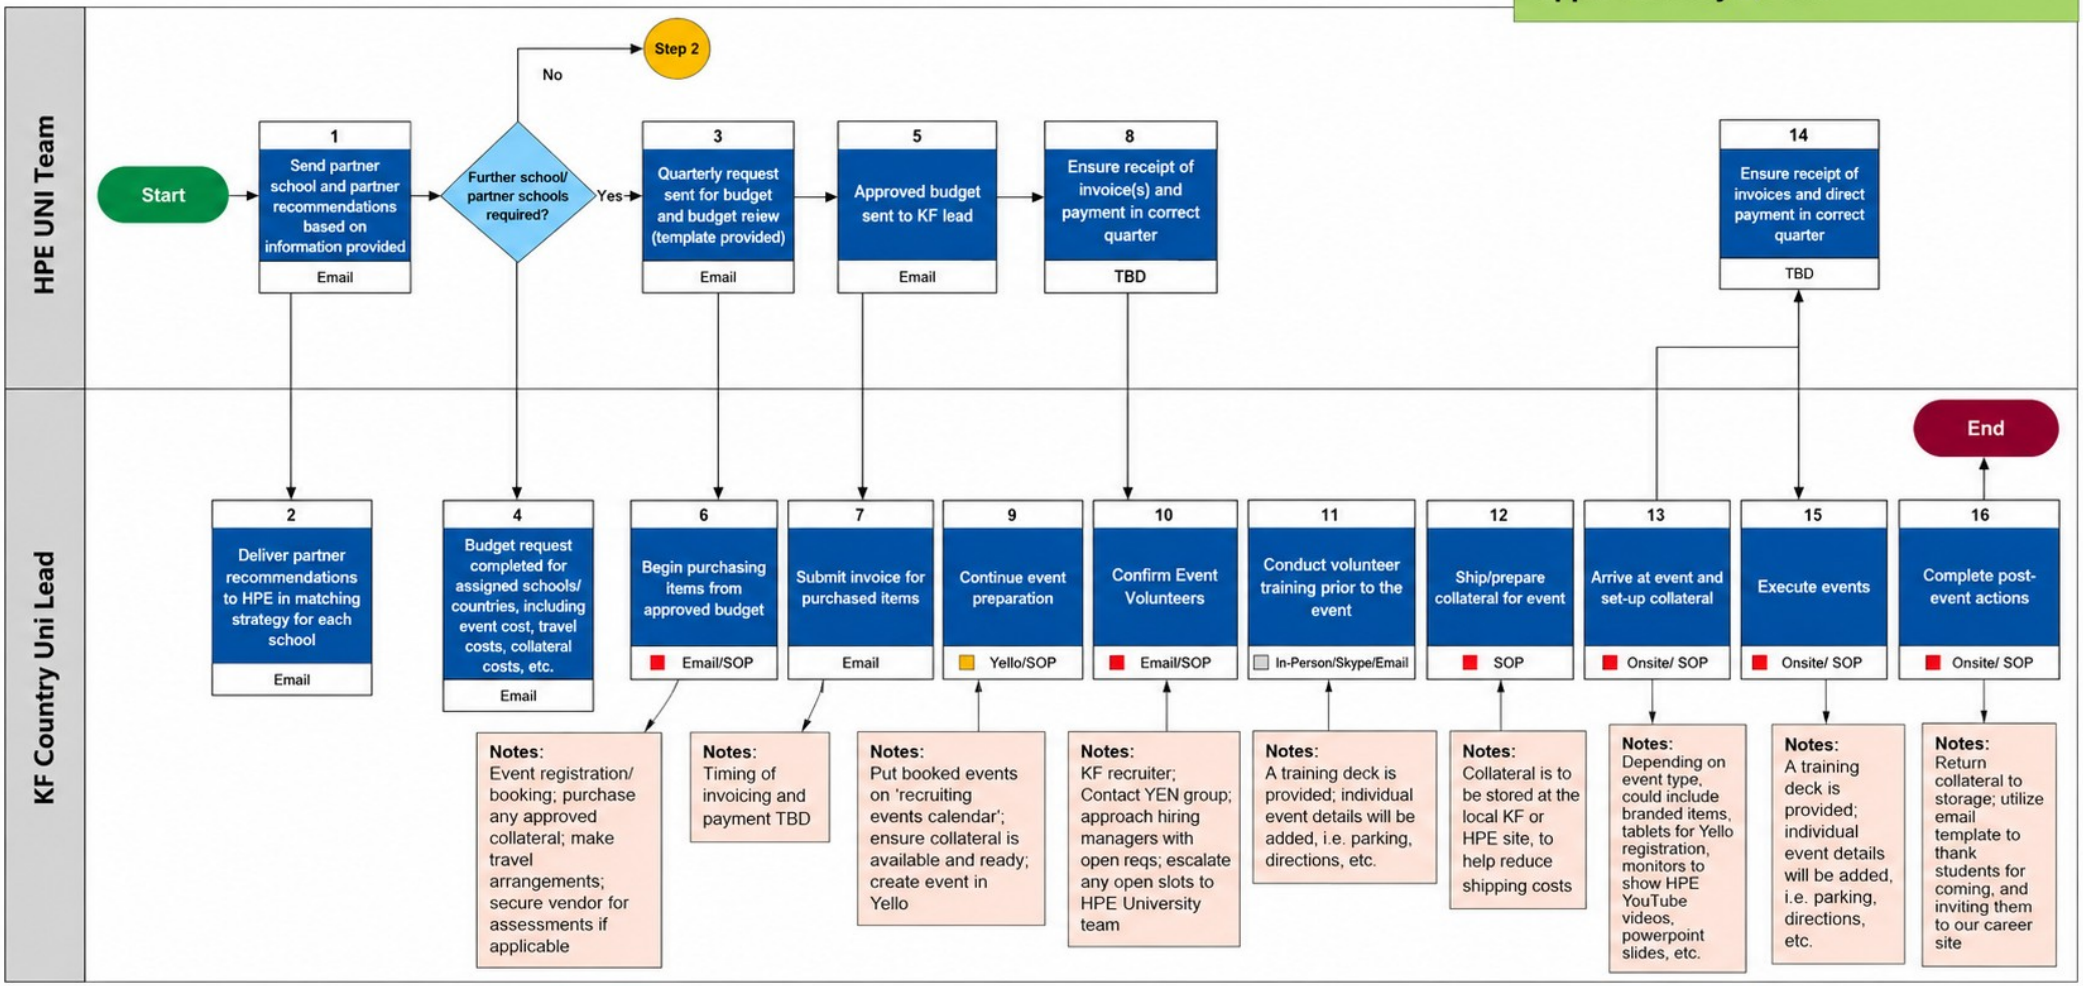

Opportunity: Reassign tasks to approvers when a req is missing or stuck. Reassignment requires UAM; hiring managers can use candidate care hotline for issues.

Generate & Extend Offer

Global Process Design: June 28, 2018
Global Process Review: June 28, 2018
Regional Review: June 29, 2018
Approved: July 3, 2018

SLA:
Same day (prior to 3pm local time)

Notes:
For Canada, Brazil and China- background has to be completed before offer can be initiated

Notes:
In some countries, you cannot extend a verbal offer if it is legally binding

Reporting:
Offer Approval = Extend Verbal Offer Extend Task is sent / initiated
Written Offer Extend = Offer generate task submitted

Notes:
On reqs with multiple openings, leave remaining candidates in play until the final candidate is moving to this step, and then disposition appropriately

14 — Sends candidate offer letter, and any required forms to sign & return — Email — Offer Letter & Required Forms

16 — Uploads signed offer letter and required forms to candidate profile — Email — Offer Letter & Required Forms

Notes:
Does not apply to NA as it is all done in WD electronically

18 — Submit request to ASK HR/Update start date in WD — WD

19 — Close out any remaining applicants immediately — Email/WD/SOP

21 — Closes req in WD, completes any required fields and/or tracking forms — WD/SOP

22 — Notifies HM & Coordinator of offer decline — Email

Notes:
Closing Out/Dispositioning all applicants against a req (after an offer is released against a req) – Reqs with huge number of applicants or volume skills where a number of reqs around the same level and skill exist may have to be dealt with differently.

Coordinator

Notes:
- Regional review for wet signature vs. Adobe signature
- In some countries, there are specified contracts that will need to be signed and returned
- UK, Ireland, India: Offline sub-process for change of date of joining of a candidate/ Addendum Letter.
- Many offer letters/support docs are sent directly to the Global People Services team for processing by the candidate as requested in their offer letter, I.e in many APAC countries candidates have to send the mandatory docs to the APAC HR services Onboarding Support team mailbox - apachrservices_onboarding@hpe.com
